REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest a controller structured to control at least one of said clamp and said backfill gas pressure to release said article from said article support by use of said backfill gas pressure in combination with all the other elements recited in independent claim 1.

The prior art of record does not disclose or suggest unloading at least one of the substrate and the patterning device from the article support by using the pressure of the backfill gas in combination with all the other steps recited in independent claim 10.

The prior art of record does not disclose or suggest a means for controlling at least one of said means for clamping and said means for supplying a backfill gas to release said article from said means for supporting by use of said backfill gas pressure in combination with all the other elements recited in independent claim 13.

The prior art of record does not disclose or suggest controlling at least one of said supplying and said clamping to release said article by use of said backfill gas pressure in combination with all the other steps recited in independent claim 14.

Art Unit: 2851

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan A. Mathews whose telephone number is (571) 272-2123. The examiner can normally be reached on Monday through Friday from 8:00 AM to 4:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Judy Nguyen can be reached on (571) 272-2258. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
